Re: Exception Location Requests to COGCC Rules 318A.a & 318A.c.:  
Litzenberger wells: SENE, Section 8, Township 3 North, Range 68 West, Weld County, CO

Dear Mr. Lepore:

Cub Creek Energy is planning to drill the following 19 horizontal wells:

Litzenberger #4 (Doc # 400855451 ), Litzenberger #11 (Doc # 400855533 ), Litzenberger #17 (Doc # 400855704 ),  
Litzenberger #5 (Doc # 400855461 ), Litzenberger #12 (Doc # 400855549 ), Litzenberger #18 (Doc # 400855708 ),  
Litzenberger #6 (Doc # 400855464 ), Litzenberger #13 (Doc # 400855630 ), Litzenberger #19 (Doc # 400855713 ),  
Litzenberger #7 (Doc # 400855485 ), Litzenberger #14 (Doc # 400855675 ), Litzenberger #20 (Doc # 400855720 ),  
Litzenberger #8 (Doc # 400855506 ), Litzenberger #15 (Doc # 400855689 ), Litzenberger #21 (Doc # 400855739 ),  
Litzenberger #9 (Doc # 400855515 ), Litzenberger #16 (Doc # 400855701 ), Litzenberger #22 (Doc # 400855742 )  
Litzenberger #10 (Doc # 400855530 ),

The surface locations of Cub Creek's proposed wells have been staked outside of the COGCC Rule 318A.a. Greater Wattenberg Area (GWA) Drilling Window. Under the COGCC Rule 318A.c. any new twinning well is to be located within 50 feet of an existing well. The proposed Cub Creek wells listed above are not within 50 ft of an existing well. The surface owner has waived Rules 318A.a. & 318A.c. in the SUA which is highlighted on p.6 of the SUA attached to the APD.

Cub Creek Energy respectfully requests the COGCC to review the enclosed information and approve the requested exception location to rule 318A.a & 318A.c. for the Applications for Permits to Drill for the wells on the subject pad. This is the best location for the wells since it is near an existing well but is at a further distance from the building unit.

Sincerely,

Alyssa Andrews  
Operations Engineer; Agent for Cub Creek Energy
