

All boring and well locations are approximate

74.03 Groundwater Relative Elevation (Ft.)
Groundwater Relative Elevation Contour (Interval 0.02 Ft)
Depth to groundwater measured 9/16/2015

Potentiometric Surface - September 2015
Pierce Central Tank Battery
Stelbar Oil Corporation
Weld County, Colorado

LEGEND

- - Due Diligence Boring Location
- - Groundwater Monitoring Well
- - - - - Approximate outline of 1988 historical pits
