Phil, I have reviewed the data you provided and agree that the frequency of sampling can be reduced at the wells you listed. I also agree that the goals of the remediation can be met without sampling and analysis at MW34.

Good afternoon Mr. Gintautas, please find the attached Groundwater Monitoring Program Modification Request (well reduction) for your consideration. This request corresponds to COGCC Remediation No. 5645, MJ Farms 11,12,13,14-7, Hildebrandt Pooling GU #1 former tank battery location. As always please don't hesitate to contact me with any questions or comments that you may have and thank you.
