**RE: Certification of Compliance with Rule 306.e
Lamke 33-5-29 #1 Well Pad ("Well Pad")
SE/4SE/4 of Section 29, Township 33 North, 5 West, N.M.P.M
Archuleta County, CO**

Dear Director Lepore:

Catamount Energy Partners LLC ("Catamount") hereby certifies that it has complied with the meeting requirements of Rule 306.e. Catamount representatives met with the surface owner, whose building unit is inside the Buffer Zone, on 7/15/15 and 7/22/15, and were available to meet with surface owners who received an OGLA Notice pursuant to Rule 305.c and requested a meeting regarding the proposed Oil and Gas Location. In compliance with Rule 306.b(3), Catamount was also available to meet with such Building Unit owners if requested to do so by the Local Government Designee (LGD). A meeting occurred with the LGD and interested surrounding surface owners regarding the proposed Well Pad on 8/14/15 at the Archuleta County Courthouse.

Sincerely,

A handwritten signature in blue ink, appearing to read "E. Reed Fischer", is written over a light blue circular stamp.

E. Reed Fischer

Contract Operations Engineer
