Chris,

Please find attached the approved/signed Form 27 (supplemental to REM #70). Extension has been granted. Please schedule the January meeting at least two weeks ahead of time to ensure that all parties involved can participate in the meeting.

Notes: The e-form 400941178 is currently saved as a DRAFT. I believe you need to move it to "In Process" so that I can pass/approve it.

This email and the attached document will be uploaded to the database

Carlos,

Per the request of the Colorado Oil and Gas Conservation Commission (COGCC), Stantec Consulting Services Inc. (Stantec) on behalf of Chevron Environmental Management Company (CEMC) is submitting the attached Form 27 response for the Northeast (NE) Terraced Area (Spill #2213637) at the Wilson Creek Unit, Rio Blanco County, Colorado. Also, per your request, Stantec on behalf of CEMC has submitted the response in the COGCC eForms Database on Form 4 (Document Number 400941178). An additional note was provided stating that it is for your attention. Please let me know if you have any questions or comments.

Thanks,

Chris
