### COGCC Comments

Comment	User	Date
Only access/exit southern main location. Western vehicle traffic is damaging stormwater ditch. Need to stop using the western location as an access/exit point ASAP.	binschusc	12/23/2015
Stormwater BMPs installed at location; however, ditches need to be maintained. The western ditch has been filled with sediment from scraping during muddy conditions. Stormwater ditches need to be cleared of sediment from scraping operations by Corrective Action date of December 30, 2015. Refer to attached photos 1-3 in Doc.#682400172.	binschusc	12/23/2015
Operator did not provide notice to COGCC 48 hours prior to commencing construction of this Oil and Gas Location. This will be forwarded onto OGLA for further review.	binschusc	12/23/2015
