Subject: Sandridge Exploration Gregory #5 Rule 609 Sundry Notice Document # 400968301
Date: Tuesday, January 12, 2016 12:23:00 PM

John,

In order to approve the Sundry the COGCC requires a description of why a water well is unsuitable for sampling. The Sundry that was submitted for Gregory #5 stated that the one well within ½ mile was unsuitable but no description was provided.

Thanks,

Arthur
