Hi Katrina,

Could you make some corrections to the subject document?

Under Casing, Liner and Cement

Conductor: Status is Visual

1<sup>st</sup> String: Cmt Top = 52', Status is CBL

1<sup>st</sup> Liner: Cmt top = 5276' Status is Calc

I don't know what I was doing when I was filling out this portion of the report, but it didn't get filed as I intended.

Let me know if you have any questions.

Thanks,

**Polly Tobin**
