Inspector Comment:

Final Reclamation Inspection for AL Location #383292 and AL Wells API#s 045-12970, 12969. This is a Follow up Inspection to Insp.Doc# 666801166. It does not appear that the Two Wells were drilled on Location. Sundry Notices were filed 10/11/2007 to Abandon APDs. This Location appears to be adjacent and contiguous with Active Location #33155 and AL Location #383291. An Area equal to size of one Location (West of AC Loc#33155) should be Reclaimed for Final Reclamation; this would Release the AL Wells and Locations and shrink the Active Location down to acceptable dimensions.
