Comment:

Due to anti-collision needs and the variability of directional drilling, our as-drilled BHL could be different than the permitted. Per rule 317.p Exception, no open hole logs were run on this pad. Cased hole compensated neutron logs were run as an alternate log on the Whisper Rock 4C-25HZ API# 12341069.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
