Dear Director Lepore:

Kerr-McGee Oil and Gas Onshore LP ("KMG") hereby certifies that a thirty (30) day notice has been given by certified mail to all mineral owners in the proposed wellbore spacing unit. Encana Oil & Gas (USA) Inc. initially objected to this well on December 3, 2015, however those objections were lifted on December 16, 2015 and the letter stating such is attached. No other objections to such well location, proposed spacing unit, or additional producing formation were received. KMG hereby respectfully requests approval of this boundary well.

If you have any questions or issues regarding this permit, please contact our office.

Sincerely,

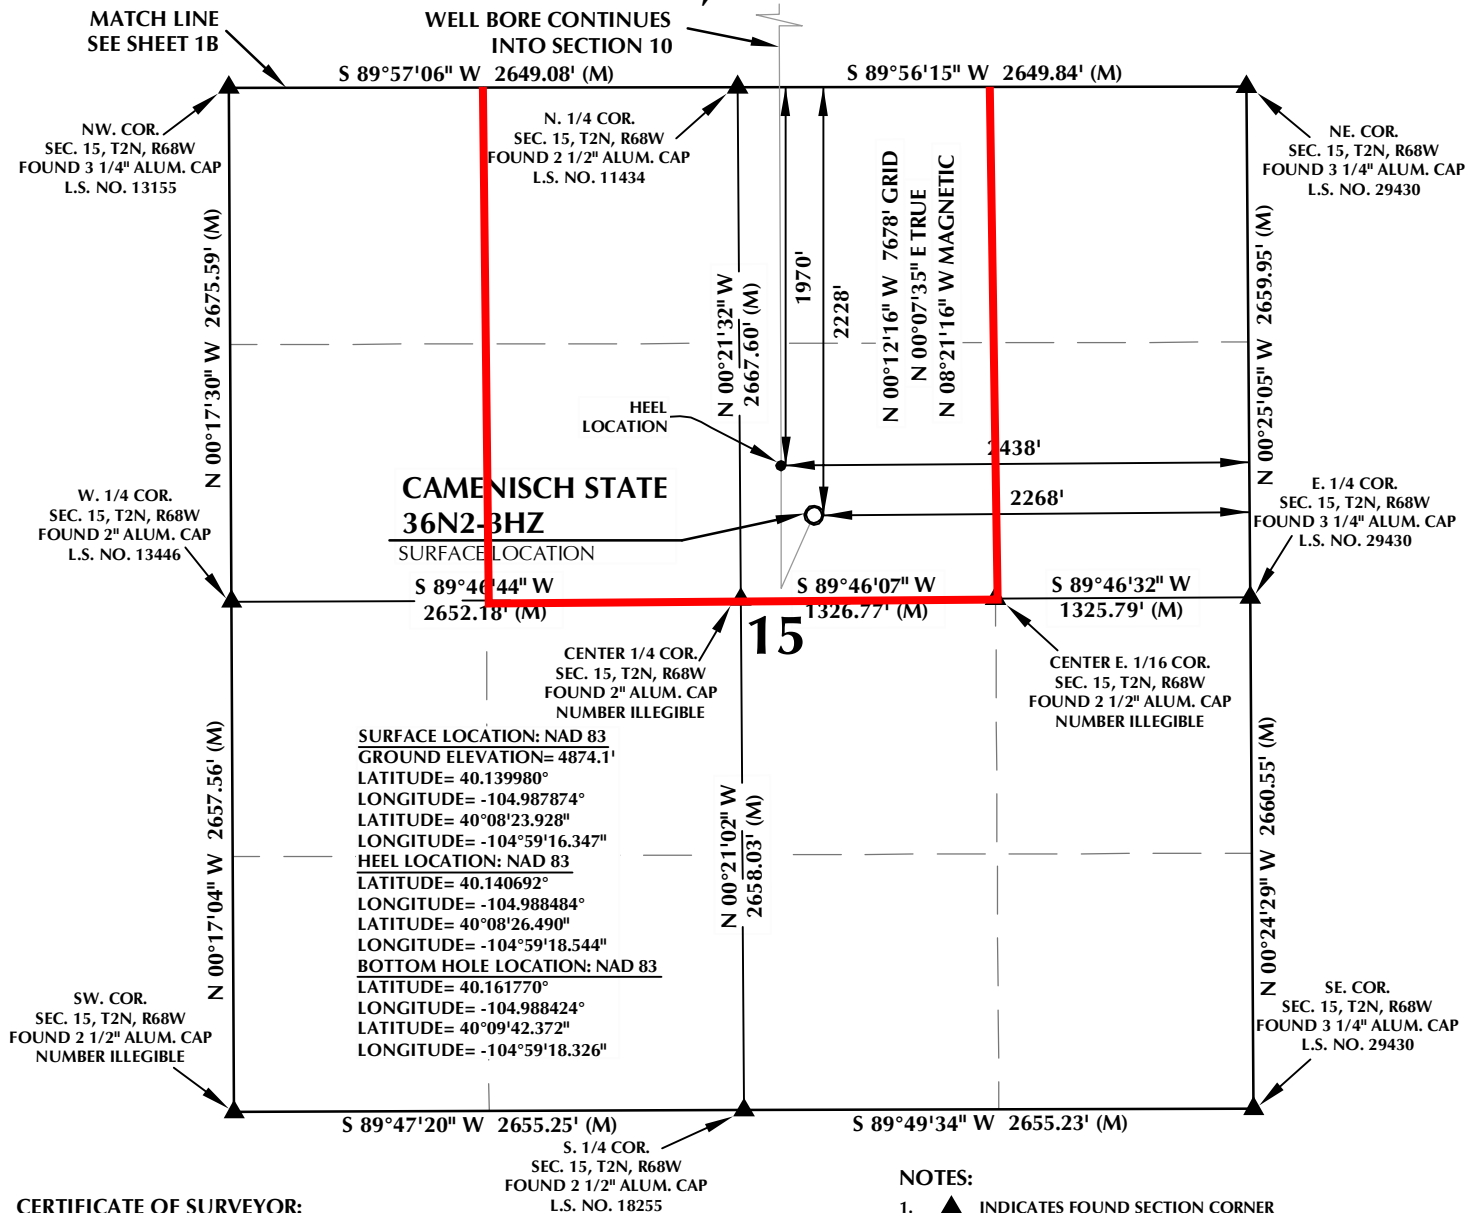

**Kerr-McGee Oil and Gas Onshore LP**
