Martha,

This is a pit that is being converted to a Centralized E&P Facility. We have not received the Form 28, but I did ask the Operator to provide their best guess for closure during this conversion. For now, I think that we can tie the surety bond to Pit Facility ID: 428428.

Thanks  
 Alex

We received a surety bond from WPX Energy Rocky Mountain LLC - Operator #96850 for the Mautz Ranch Water Recycling Pit in Rio Blanco County for the amount of \$653,000. Do you have the Form 28 and documents for closure estimates to support this surety bond?
