Dear Mr. Schwarz:

Apex Companies, LLC (Apex) is pleased to present this letter to Kerr-McGee Oil & Gas Onshore LP (Kerr-McGee) documenting successful completion of interim reclamation efforts per COGCC Rule 1003 on the location specified above in Weld County, Colorado. Attached is a topographic map, which identifies the referenced location.

Based on communications with Kerr-McGee personnel and subsequent site inspections, Apex personnel confirmed that the unused portions of the reduced production footprint have been regraded and returned by the landowner to crop land and agricultural use. Based on this result, interim reclamation as defined by COGCC Rule 1003.e (1) has been achieved. Photographs required by Rule 1003.e (3) are also attached along with a diagram illustrating photo origins.

Apex appreciates the opportunity to provide environmental consulting services to Kerr-McGee with this project. Should you have any questions or require additional information, please don't hesitate to contact me.

Sincerely,  
**Apex Companies, LLC**
