RE: Pit Reports

MR Axelson:

Please find enclosed pit reports for the following wells:

1. Richardson 1-32 ✓
2. Williams 1-6 ✓
3. Ward 1-17
4. Salvador 5-5
5. Salvador 6-5 ✓
6. Salvador 7-5 ✓
7. Warren Farms 4-31
8. Mitchell 3-29 ✓
9. Mitchell 4-29 ✓

Our records indicate Petron should be 100% as to the required reporting on pits. If this is not consistent with your records, please advise me A.S.A.P. We are trying to make sure nothing has slipped through the cracks.

Thank you for your past assistance on these and various matters. You have been most helpful.

Sincerely,
