Inspector Comment:

This is a Final Reclamation Inspection for Rose-Veatal#1 P&A Well 077-08072 and Rose ET AL #1 D&A Well 077-07342; which appears to be a Duplicate API# for the Rose-Veatal#1. Lat/Long positions are the same for both Wells and no historical records are in COGCC files for the 07342 Well, nor is there any physical evidence of the Well at Location. Drilling for Well 077-08072 was commenced 12/23/1974 and Plugged and Abandoned 1/17/1975; P&A Marker installed.

Related Facilities:
