Karolina:

COGCC has received and approved the Form 3 Performance Surety Bond for the Mautz Ranch Water Recycling facility. It is my understanding that the Mautz Ranch Pit #428428 in Rio Blanco County will be converted to a Centralized E&P Waste Facility. It has come to my attention that the Form 28 has not been received. When can we expect to receive the Form 28 for this facility for review and consideration?
