Inspector Comment:

This is an Abandoned Location Inspection for Wells API#s 045-18228 and 045-18231. It does not appear that these two Wells were drilled on Location with Five Producing Wells; therefore these are Well Releases on an Active Location. Sundry notices for Abandoning APDs were submitted 11/9/2009. Conductors on Both Wells were closed 2/6/14 in Response to Action Required Inspection Doc#670201177.
