**Compliance Summary:**QtrQtr: SESW Sec: 21 Twp: 8S Range: 97W**Inspector Comment:**

This is a Reclamation focused Inspection for PA Well, API# 077- 05147. Inspection is being conducted to Document Conditions so that Well can be correctly classified, have correct Status assigned and determine procedures, scope of work (if any) needed to satisfy COGCC Rules & Regulations. This Well has an Operator listed in files "Debeque Oil Company" despite Scout card saying UNKNOWN. Refer to attached files to view History & Well Log of this, the first Well to be Drilled in the Coon Hollow Field in 1902. Plugging date on Scout card is believed erroneous. This Well has been grouped at Location# 390877 with three other seemingly Unrelated Wells. The Location has no evidence of disturbance (refer to Photos), yet there are Four unidentified open Well casings/bores, flowing water(et All?) within 225 to 400 ft. Identity of the 077-05147 may need to be assigned to one of the Debeque Unknowns shown on attached Map.
