Subject: Spill Notification - Barclay-63N66W/27NWNW

Good Morning,

We had a State Reportable Release at the location listed below based on the amount of impacted soil removed following the discovery of surface staining at the location. The cause of this release is still being investigated. Further information will be provided in a forthcoming Form 19 Initial Release Report. As always, please let me know if you have any questions. Thank you,

Barclay-63N66W/27NWNW
Location ID: 336317
NWNW-27-3N-66W
