RE: Application for Permit to Drill: Exception Location Request
Ward Petroleum Corporation

Document Number: 401002403

Sec. 24 T1S R67W
Adams County, Colorado
Surface: Fee
Mineral Lease: Fee

Dear Mr. Lepore:

Ward Petroleum Corporation (Ward) hereby requests that the Director grant an exception location to Colorado Oil and Gas Conservation Commission (COGCC) Rule 318A(a) for the above referenced well. The surface location, pertaining to the Application for Permit to Drill (APD), does not conform to COGCC Rule 318A(a) due to surface owner request. The preferred location was agreed upon by Ward and the surface owner through multiple conversations and meetings.

Mr. Sharp has strong desires for the well placement; of most importance the location is in 1-1/2 acres of Mr. Sharpe's property which is un-cultivated. Moving the location will encroach on Mr. Sharpe's cultivated acreage where he grows a variety of vegetables. Mr. Sharp considers this crop land very productive and does not want oil and gas production to encroach on his livelihood. He has been a willing participant for the location placement with minor requests. The well will be drilled to the legal mineral offsets from the proposed location within Mr. Sharpe's lease.

Ward requests the Director approve the proposed exception location. The surface owner acknowledges and agrees with the staked surface location of the well.
