Subject: EOG Resources – Simba Facility, First Semiannual Inspection 2015

Dear Mr. Rauen:

On September 14, 2015 the Weld County Department of Public Health and Environment (WCDPHE) conducted a routine inspection of EOG Resources – Simba Class II Injection Disposal Facility, located off Weld County Road 136, Weld County, Colorado. The purpose of the inspection was to assess the facility's compliance with the Approved Site Specific Development Plan Use by Special Review Permit, USR13-0017, and applicable Weld County Code.

Based on the inspection and the documentation submitted, the facility was in compliance with USR13-0017. A copy of the inspection form is attached. If you have any questions regarding this inspection, please contact me at 970-304-6415, extension 2220.

Sincerely,

Ben Frissell  
Environmental Health Specialist  
WCDPHE, Environmental Health Services
