Reclamation Specialist	Approval of this Form 4 does not approve the requested extension for interim reclamation. However, due to the delay in processing this form, COGCC will conduct an interim reclamation inspection on the location after the proposed extension date. It is our expectation that interim reclamation activities will have been conducted so the location will be in compliance with reclamation rules.	10/10/2015 4:08:04 PM
Agency	This form 4 approval is to inform the operator that COGCC has successfully received the Form. It is not in any way a release of the reclamation. Fee mineral and Federal surface ownership.	10/6/2014 9:28:15 AM
Routing Review	Routed to A. Goodwin and D. Arthur in the reclamation group for review.	9/29/2014 8:40:30 AM
