Jamison,

As discussed, COGCC has received several formal citizen complaints regarding the Triple Creek Location. Without exception, the complainants have requested that a Form 2A be filed for the location in consideration of the Large UMA Facility Rules. Some have additional concerns/issues as well.

The document numbers for the complaints are as follows:

- 200439381
- 200439397
- 200439403
- 200439407
- 200439408
- 200439413

COGCC has spoken with all complainants, save one for whom a message was left.

Thank you for your diligence and consideration.

Greg
