Good Morning,

This email is to notify that we have a State Reportable Release due to impacts to groundwater at the location listed below. During the process of replacing the produced water sump, historically impacted groundwater was encountered. Additional details on the release will be addressed in a forthcoming Form 19 Initial Release Report. Please let me know if you have any questions.

Cannon Land – 62N65W3SESE  
Location ID: 332142  
SESE-3-2N-65W

Thanks,
