Karolina,

Please find attached the Colorado Oil and Gas Conservation Commission's (COGCCs) comments for the conversion Pit Facility ID 428428 to a Centralized Exploration and Production (CE&P) Facility IF 444993. Approval of the Form 28 is contingent in providing clarification to Form 28 Question Number 20 (see page three of the COGCC's comments). Other comments and items in the attached letter can be addressed via COAs of the Form 28.

Please note, the COGCC has a similar comment to the KP 32-17 submittal.

Thanks
Alex
