**Inspector Comment:**

COGCC Integrity Inspector Joe Maclaren performed an engineering (flowline only) field inspection at this location on May 25th, 2016. An open excavation was observed approximately 200 feet west of the pump jack/ wellhead on location. Flowline re-routing work was observed in progress at the time of this inspection. The equipment/ flowline and comment sections at the end of this report outline additional information. Photos have been uploaded.
