Carlos,

Please send me a copy of the regulation that allow the oil and gas company to spraying any amount of area they choose with ground sterilant that prevents anything from growing up to five year and depending on this soil type is leachable into more ground. I what a copy to hang in my office so that I can look at it every day to remind myself they can do what ever they want and time they want.

Thanks,  
George Pearson

**Subject:** Fwd: PEARSON #26-12-6S\_Weed issues - Complaint #200439545

Mr. George Pearson,

The Colorado Oil and Gas Conservation Commission (COGCC) received your complaint regarding chemical spraying at Mustang Resources LLC (Mustang) Pearson #26-12-6S-94W (API 05-045-06559) and Location ID 323784. Your complaint is documented in COGCC document number 200439545.

The COGCC has determined that no violations occurred related to your complaint. Accordingly, the COGCC has closed the complaint (see attached letter and Inspection Report).

Please contact Alex Fischer ([alex.fischer@state.co.us](mailto:alex.fischer@state.co.us) - P 303.894.2100 x5138) at the COGCC if you have questions or comments,  
Thank you,  
Carlos
