SWSW, Section 10, T5N R67W 6th P.M.
Weld County, Colorado

Dear Director:

PDC Energy, Inc. ("PDC") has modify the well plan for the subject well.

PDC's proposed wellbore spacing unit remains unchanged as a result of this modification and still consists of the S2S2 of Section 10 and S2S2 of Section 11 in T5N R67W, 320 acres, Niobrara formation. PDC is not the only owner within the proposed spacing unit and as such provided a supplemental notice to all working interest owners in the spacing unit. The working interest owners' right to object did not change. Copies of all required notices are on file at the PDC office.

The Bottom Hole Location for this well is changing from 725'FSL & 500'FEL, Sec.11 in T5N R67W to 840'FSL & 500'FEL, Sec.11 in T5N R67W.

Thank you for your attention to the enclosed. PDC respectfully requests that the COGCC review the attached information and allow the modification to the BHL for the above captioned well.

If you have any questions, please contact the undersigned at (303) 831-3974.

Sincerely,

A handwritten signature in black ink that reads "Kelsi Welch".
