Hello Mr. Mah, I have received these NOAV's and have issue with them. My wells are shallow oil wells and do not produce large amounts of oil. My bookkeeper fills out the monthly oil reports at the end of the year and sends them in for me. We were notified of this earlier and my bookkeeper re-sent the monthly reports in for a second time. This will be a third time they will have been sent in. I do not have wells that are not producing. I will call you tomorrow to see what we can do to correct this.

I am submitting the form for my change of address (again).

Thank you,
Sandra Woodard
