Dear Director Lepore:

Kerr-McGee hereby certifies that it has complied with the meeting requirements of Rule 306.e. A representative was available to meet with Building Unit Owners who received an OGLA Notice or Buffer Zone Notice pursuant to Rule 305.c and requested a meeting regarding the proposed subject Oil and Gas Location. In compliance with Rule 306.b.(3), Kerr-McGee was also available to meet with such Building Unit owners if requested to do so by the Local Government Designee (LGD). Our stakeholder relations team was contacted by one Building Unit Owner who received an OGLA notice. Their questions and concerns were answered. No meetings were requested by the Building Unit Owners or by the LGD.

Proof of receipt of the above-mentioned notices are available should you require it.

Sincerely,

**Kerr-McGee Oil & Gas Onshore LP**
