**RE: COGCC Rule 604.b.(1)A: Exception Request  
Pavistma South Pad: NWSW Section 32, Township 6 North, Range 67 West  
Weld County, Colorado**

Dear Mr. Lepore:

Extraction Oil & Gas, LLC (Extraction) is submitting an amended Oil and Gas Location Assessment for the following location:

Pavistma South Pad    Section 32-T6N-R67W                      Loc ID #4331391                      Doc #401098081

Per Colorado Oil & Gas Conservation Commission (COGCC) Rule 604.b.(1)A., the above referenced location is within a Designated Setback Location solely as a result of the adoption of Rule 604.a., which established the Designated Setback Locations. Extraction is requesting an Exception from COGCC Rule 604.a. since this location was originally approved prior to August 1, 2013. This location is being amended to clean up the disturbance area from previous permits and to add disturbance area to accommodate the addition of a modular large volume tank.

Extraction respectfully requests the COGCC review the enclosed information and approve the requested setback location exception request and the Oil and Gas Location Assessment for the subject pad.

Respectfully,
