Jacob,

COGCC has reviewed and approved the Form 27 Site Investigation and Remediation Workplan submitted by Noble Energy, Inc. for the Bates 20-22 flowline release. Remediation project #9872 has been assigned. Please email all future reports and correspondence regarding this project to me and reference Remediation Project #9872. Spill ID #445185 / Spill Tracking #401007416 has been resolved. A copy of the approved Form 27 is attached for your records.

Regards,

Richard Allison, P.G.
