General Comment:

Field inspection was conducted 10/12/15 as part of normal inspection cycle follow-up. Scout card indicated well was SI. Upon arrival inspector discovered well had been plugged. Additional reseach indicated well had been plugged 4/14/2015. Reclamation of location had not progressed after plugging. Operator stated they were waiting final approval of Form 6. Approved Form 6 has now been released and operator should move forward with Final Reclamation process. See link at end of report for path to downloadable pictures.
