---

No objections to the changes, please proceed with the plugging. Submit the CBL with the Form 6 Subsequent Report of Abandonment.

Thanks,

Diane McCoy

Diane,

As we discussed we are going to cut and pull our casing at 300' as opposed to the 400' on the form 6 as a result of the CBL we ran showing cement up to 320'. Please respond with your approval.

Thanks,

Sterling Metzger
