General Comment:

This is a follow up inspection in response to Form 42 Document #401137335 sent on 10/26/16 stating that corrective actions from FIR Document #682401240 have been complete. During this follow up inspection on 11/7/16, it was found that corrective actions to complete Interim reclamation have not been completed per the Form 42 notice. COGCC staff emailed the Operator on 11/16/16 for an update and received an update via email on 11/16/16 stating that equipment failures have delayed operations. The tentative plan to finish Interim reclamation will be completed on 11/22/16.

Reclamation - Storm Water - Pit**Interim Reclamation:**
