Operator Comments:

Responding to Field Inspection 680101208 dated 10/29/2016  Robert L. Bayless, Producer LLC will begin removing loose refuse as soon as possible, such as rods that are on the P&A'd well site. We will begin remediation of the site Spring 2017.  Also mentioned on the Field Inspection was a building nearby. This building belongs to the Alpha State 16-1 site which was sold to Pioneer Natural Resources in 2006. All liability was assumed by them in 2008. The current owners of the Alpha State well is Southwestern Energy which has begun removal of their building.
