General Comment:

This is an interim reclamation inspection. Due to snow cover, it was not possible to determine whether corrective actions on the last inspection (May 20, 2015) related to stormwater control have been addressed. However, any corrective actions not addressed from previous inspections are still applicable.

Reclamation - Storm Water - Pit**Interim Reclamation:**

Date Interim Reclamation Started: _____ Date Interim Reclamation Completed: _____

Land Use: _____

Comment: Project area is surrounded by ponderosa pine forest. Revegetation is progressing within the project area, although significant portions of the well project area are covered in snow.**1002 SITE PREPARATION AND STABILIZATION**
