Date: _____

Pits: ☒ NO SURFACE INDICATION OF PIT**COGCC Comments**

Comment	User	Date
The noxious weeds (Diffuse knapweed, Spotted knapweed) have developed seed. These plants will need to be collected and removed to prevent further seed dispersal. Other control methods will need to be utilized and continued efforts must be performed to adequately control the noxious weed infestation.	CostaR	12/06/2016
Submit a Form 4 when corrective actions are completed. Include photographs or other documentation showing completion of corrective actions required in this inspection.	CostaR	12/06/2016
