Dear Mr. Lepore,

Edge Energy, LLC (Edge Energy), has filed the Form 2A Oil and Gas Location Assessment (OGLA) for the proposed oil and gas pad referenced above.

Pursuant to COGCC Rule 305.a., Edge Energy certifies that the required notifications to all Building Unit Owners within the Buffer Zone Setback were sent and was available for meeting and/or consultation. Edge Energy has not contact from any of the Building Unit owners. This letter serves as Operator Certification that Edge Energy has complied with COGCC Rule 305.a and resolved Building Unit Owner concerns.

Edge Energy respectfully requests the COGCC approve the Form 2A for the Judy 34-P Pad. Many thanks for your consideration of this matter.

Respectfully,

Julie Webb
