General Comment:

[This is a stormwater inspection in response to Form 42- Notice of construction- Document #401138511.](#)

Location Construction

Location ID: 445237 CDP: _____

Comment: Topsoil has been stored along the entire perimeter of the location. Tackifier has been applied to the topsoil but areas (i.e., south, southeastern area) need additional tackifier because the application rate was too low, and wind erosion is starting to occur.

Corrective Action: Stabilize and protect topsoil per Rule 1002.b.

Date: 01/04/2017
