Field Inspector Actions:

On 12-27-2016, I was contacted by Complaint specialist Megan Adamczky of the COGCC in reference to a complaint at the residence of the complainant Gary Gianetti 1379 Padfield Pl Erie, CO 80516.

The complaint indicated the noise coming from the Wolley Becky Sosa location was loud over the weekend again.

I performed a complete site inspection at location and spoke to the Crestone personnel on location and they indicated they were drilling over the weekend with no abnormal conditions over the weekend.

At the time of the inspection no violations of COGCC rules were observed.
