Dear Mr. Lepore,

Extraction Oil & Gas, LLC (Extraction) has filed the Form 2A Oil and Gas Location Assessment (OGLA) for the proposed oil and gas pad referenced above.

Pursuant to COGCC Rule 305.c., Extraction certifies that the required notifications to all Building Unit Owners within the Buffer Zone Setback were sent and was available for meeting and/or consultation. Extraction received no requests for meeting and/or consultation. This letter serves as Operator Certification that Extraction has complied with COGCC Rule 306.e.

Extraction respectfully requests the COGCC approve the Form 2A OGLA for the Launer 26-M Pad. Many thanks for your consideration of this matter.

Respectfully,
