Re: Exception Location Request to COGCC Rules 318A.a.:  
Wake North wells: NSW, Section 32, Township 6 North, Range 65 West, Weld County, CO

Dear Mr. Lepore:

Extraction Oil & Gas, LLC (Extraction) is planning to drill the following wells:

Wake North 1 (Doc # 401067423), Wake North 13 (Doc # 401067637),  
Wake North 2 (Doc # 401067508), Wake North 14 (Doc # 401067679),  
Wake North 3 (Doc # 401067522), Wake North 15 (Doc # 401067682),  
Wake North 4 (Doc # 401067527), Wake North 16 (Doc # 401067690),  
Wake North 5 (Doc # 401067533), Wake North 17 (Doc # 401067692),  
Wake North 6 (Doc # 401067535), Wake North 18 (Doc # 401067725),  
Wake North 7 (Doc # 401067539), Wake North 19 (Doc # 401067731),  
Wake North 8 (Doc # 401067550), Wake North 20 (Doc # 401067734),  
Wake North 9 (Doc # 401067563), Wake North 21 (Doc # 401067738),  
Wake North 10 (Doc # 401067607), Wake North 22 (Doc # 401067742),  
Wake North 11 (Doc # 401067612), Wake North 23 (Doc # 401067745),  
Wake North 12 (Doc # 401067618), Wake North 24 (Doc # 401067756)

The surface locations of Extraction's proposed wells have been staked outside of the COGCC Rule 318A.a. Greater Wattenberg Area (GWA) Drilling Window. Extraction is the surface owner and self-waives Rule 318A.a.

Extraction respectfully requests the COGCC to review the enclosed information and approve the requested exception to Rule 318A.a for the Applications for Permits to Drill for the wells on the subject pad. This is the best location for the wells because in order to push the facilities further away from Building Units and move them outside of the floodway, the wells must go to the North-West of the window to make room for the facilities.

Sincerely,

A handwritten signature in black ink that reads "Alyssa Andrews". The signature is written in a cursive, flowing style.
