Comment:

By March 1, 2017 or after the original Form 2 expires, whichever is later, operators will perform one of the following three options for each existing preset conductor:

- a. Plug the conductor and perform reclamation.
- b. Request to keep the conductor or conductors for future use on a Form 4 (Notice of Intent, Other: Keep Conductor) submitted for the location, subject to additional financial assurance pursuant to Rule 702.a.
- c. Submit a Rule 502.b. variance request on a Form 4 (Notice of Intent, 502 variance requested) submitted for the location, describing an alternative plan.
