**RE: COGCC Rule 318A.e.: Proposed Spacing Unit
Kennedy 2 Well: NENE Section 18, Township 4 North, Range 68 West
Weld County, Colorado**

Dear Mr. Lepore:

Extraction Oil and Gas, Inc. (Extraction) is planning to drill the above referenced well in accordance with the provisions set out in Colorado Oil and Gas Conservation Commission (COGCC) Rule 318A.e. Extraction's Proposed Spacing Unit consists of:

S½ of Section 8, Township 4 North, Range 68 West
Containing 320.00 acres more or less

Extraction is not the only owner within the Proposed Spacing Unit and has provided notice to the remaining owner, as required by COGCC Rule 318A.e.(5). The required thirty (30) day notice period has not lapsed, however, the interest owner has waived the notice period, and a copy of the required notification letter is on file at Extraction's office.

Enclosed is the Proposed Spacing Unit Exhibit to assist in your review and approval of Extraction's proposed Application for Permit to Drill for the Kennedy 2 Well. Many thanks for your attention to this matter.

Respectfully,
