Complaint

Comment: Complaint #:200441037

Field Inspector Assigned: Jeff Rickard

Location #: 440920

Inspection Document #: 674103929

Nature of complaint: Sound

If Sound GPS Coordinates of Survey Location: N/A

Inspection Observations:

OGCC inspector returned to location to try and run a sound survey. Current wind conditions were sustained winds out of the south of 8-10 mph, with gusts every 3 to 5 minutes of 14-16mph. Since wind conditions were above the 5mph limit for a valid sound survey, a survey was not run. Current weather forecast call for winds to increase as the day goes on. OGCC inspector will return tomorrow 2/10/17 to try and run a sound survey if wind conditions are appropriate.
