Complaint

Comment: [Complaint #:200441037](#)
 Field Inspector Assigned: Jeff Rickard
 Location #: 440920
 Inspection Document #: 674103933
 Nature of complaint: Noise
 If Sound GPS Coordinates of Survey Location:NA
 Inspection Observations:
 OGCC inspector was on location on 2/13/17, winds were still too high to run a sound survey being 13 mph out of the north. The original location that the complaint was filed under is no longer being frac'd, instead the frac fleet is on the location immediately adjacent to the east. PDC has put up additional bales on the south side of the new location for sound mitigation.
