Subject: Release Notification - Highway 160 2-2S

Good Evening,

We had a State reportable release earlier today. The packing on the Highway 160 2-2S failed and we had an estimated release of just over one barrel of oil outside of secondary containment.

More information will be provided in a forthcoming COGCC Initial Form 19 Release Report.

Please let me know if you have any questions.

Location: Highway 160 2-2S

API: 05-123- 31695

Legals: SWNE Sec. 2-T1N-R66W

Thank you,

Paul Avant
