OPERATOR COMMENT AND SUBMITTAL

Comment: QEP requests an extension on all CAs so that this work can be done with another project in the area at the same time. QEP requests the deadline be extended to December 31, 2016. I was not able to select "Factual Review Request" because this request is being submitted more than 7 days from the inspection form being entered. In the future, we will know to get the requests in before the 7 day deadline. Since I had to choose "CA Completed" in order for the form to allow me to submit, I inserted the date we requested as the extended deadline, 12/31/16. I hope this is acceptable, please let me know if I need to handle this a different way. Thank you for your consideration.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
