**RE: COGCC Rule 303.b. (3) J.iii. Evidence of Building Unit Owners Pre-Application Notification
Beebe 3-34 Pad: NENW & NWNE Section 34, T6N, R66W
Weld County, Colorado**

Dear Mr. Lepore,

Synergy Resources Corporation, (Synergy) has filed a Form 2A Oil and Gas Location Assessment (OGLA) for the Beebe 3-34 Pad.

Synergy has provided the required Pre-Application Notifications to all Building Unit Owners within the Buffer Zone Setback pursuant to Colorado Oil and Gas Conservation Commission (COGCC) Rule 305.a. Pursuant to Rule 303.b.(3)J.iii., attached please find proof of delivery receipts for the Building Unit Owners. Please be advised that Synergy certifies that Building Unit Owners within the Buffer Zone have received their pre-application notification and proof of receipt is attached to this letter.

Please note Exception Zone BU within 273' feet from Synergy proposed pad, is owned by Synergy. Since Synergy owns this Building Unit in Exception Zone, we did not need to file a pre-application notice as we own the Surface. The Building unit 669' feet from Synergy's proposed pad received his certified mail 305.a. Pre-application Notice, and confirmation is attached.

Synergy respectfully requests the COGCC approve the Form 2A for the Beebe 3-34 Pad. If you should have any questions or require additional information, please do not hesitate contacting me at 720.616.4319 or via email at EEKBLAD@SYRGINFO.COM. Thank you for your consideration of this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Erin Ekblad', is written over the printed name.

Erin Ekblad
